

TO: All Toyota Racers

SUBJECT: 2010 Toyota Motorsports/TRD USA Contingency Award Program

**IMPORTANT:** Contingency claims **MUST** be made within 30 days of the event. See the Contingency Award Guidelines for more information.

Toyota requires the Toyota logo to be included with the word "Toyota" in all uses. We distribute decals that include the logo. Please review the "Toyota-TRD Logo Usage Guide" document, particularly pages 6-7 that describe the placement & relative size of the logo to the word "Toyota" for proper use.

Enclosed in this packet is all the information you will need to enroll in the 2010 Toyota Motorsports / TRD USA Contingency Program. If your vehicle/class or sanctioning organization is not eligible for contingency awards you are still invited to participate in the Motorsports parts purchase program.

- **You must re-register for the 2010 program to be eligible for contingency awards and to participate in the parts purchase program**
- **You must be enrolled in the program before the date of the event in which you will be competing. No claims will be paid if you are not enrolled prior to competing in an eligible event.**

To enroll in the program, complete the registration form included in the enclosed material and mail, fax or e-mail it to TRD per the instructions at the bottom of the form. Contact personnel are listed on the attached 2010 Contingency Award Guidelines sheets. These people are available to assist you throughout the year.

**Parts Ordering:** If you are planning to order Toyota parts during 2010 you must supply us with your Visa or Master Card credit card number at the time you register in the program. There is a line on the registration form for this number. See the attached Parts Ordering Guidelines for detailed information on how to order parts.

TRD is looking forward to working with each of you, and we wish you a very successful year with your racing program.

Sincerely,

Don Brown  
National Motorsports Manager

Steve Marston  
Contingency Program Coordinator

## **TOYOTA MOTORSPORTS/TRD USA 2010 CONTINGENCY AWARD GUIDELINES**

In addition to compliance with all applicable competition rules and regulations in effect at the time of the event, the following Toyota Motorsports/TRD USA Contingency Award Program guidelines must be adhered to:

1. **A completed 2010 registration form must be submitted to TRD prior to the date of the event for which you will be competing. No Exceptions!!!**
2. Only National SCCA events are eligible. Regional level events and Regional Championships are not included in this program.
3. Each competitor must display official TRD logo stickers, as supplied by TRD, prominently affixed to both sides of the entered Toyota vehicle. In addition each competitor must display the Toyota (or Scion) logo and "TOYOTA" (or "Scion") in 4 inch (or larger) letters (black, white or red only) on the race vehicle, one on each side and one forward facing. Competitors racing non-Toyota bodied vehicles are requested to use the "Powered by Toyota" die-cut in place of the 4 inch "TOYOTA" on the sides of their vehicles. The registration form has an area to request the stickers and die-cuts that you require. Replacement stickers and die-cuts are available from TRD upon request (714) 957-4135.
4. **All Contingency Award Claim Forms (copy attached) must be accompanied by a copy of the official race results and submitted no later than 30 days after the event has been run. Also, for first time claimants, please fill out the attached W-9 form. If we do not have a copy of your W-9 on file, you will not be paid. Claims submitted 30 days after the event probably have little publicity value to Toyota and will be disallowed. **This rule will continue to be strictly followed in 2010. We WILL deny late claims!** Falsification of information will be considered grounds for disqualification from the program.**

If contingency award money is to be paid to someone other than the driver, both the driver and the claim recipient must endorse the award claim form. Both the driver and the claim recipient must be current registrants in the Toyota Motorsports/TRD Contingency Program.

5. Toyota Motorsports/TRD USA contingencies are awarded for performance and competition. In keeping with these standards, we require that at least two vehicles must start in the class in order for first place contingency money to be paid. Similarly, second place money will be paid when at least three vehicles in the class start the race and third place money will be paid when at least four vehicles in the class start the race.

In the event of a tie between two Toyota/Scion competitors, the competitors will share equally from the combined awards for that position and the next lower level award.

As a point of clarification, no contingency award money will be paid to a participant who fails to finish an event. Toyota Motorsports/TRD USA contingency awards are based on finishing positions only. (Bonus awards are exempt from this rule)

6. Only participants competing in vehicles with a Toyota/Scion engine and body are eligible for award payments. Exceptions to this rule are Toyota-powered Formula Atlantic & C Sports Racers and TORC buggy classes.
7. Any competitor disqualified at the SCCA National Runoffs will forfeit any and all contingency awards earned at the Runoffs, including pole bonus.

Toyota Motor Sales, USA, Inc. and/or TRD USA, Inc. reserves the right to amend or cancel this program at any time.
