

## 2020 - 10<sup>th</sup> Annual Hockett/McMillin Memorial

### Heat Races:

- 8 Laps
  - Top 40 drivers in points will be locked into 4 Qualifiers
  - Remaining cars will go to B-Features

### (4) Qualifiers:

- 8 Laps
  - Top 24 in cars in passing points will make the inversion
  - Top 16 in combined passing from the Heats and Qualifying races will advance to the A Main. The lineup is straight up by the combined Passing Point total
  - The balance of the cars from the Qualifying races will advance to B-Features

### (B) Mains:

- 12 Laps
  - Top 2 in each B-Feature will advance to the A Main

Following the completion of Thursday & Friday's program, event points will be totaled with the Top 8 locked in, straight up, into Saturday's A-Feature.

All other drivers will be lined up into 4 Last Chance Qualifiers on Saturday.

The remainder of the field will fall into three B-Features, straight up by their finish. Top two from each B-Main will advance to the A-Feature.

### Feature Laps:

- Thursday - 25 laps
- Friday - 25 laps
- Saturday – 30 laps
